DIAMOND SERIES

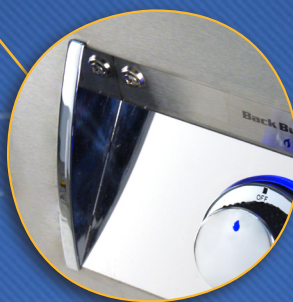

NO CHARGE OPTION FOR INFRARED BURNER AVAILABLE ON DIAMOND SERIES GRILLS.

QUANTUM ROTISSERIE BACKBURNER

Taking a quantum leap in rotisserie cooking, Fire Magic is proud to introduce its revolutionary new **QUANTUM ROTISSERIE BACKBURNER**. The Quantum Backburner is a high-efficiency backburner using 100% stainless steel foam. This backburner cooks with more infrared heat, that is evenly dispersed while using less gas. Available on all Echelon Diamond grills, the Quantum Burner is warranted for 15 years.

NEW CONTROL PANEL POLISHED TRIM

This simple, yet beautiful addition to the Echelon Diamond face is the perfect way to pull together the already sleek and stylish appearance of the Echelon Diamond grill. Making it not only the greatest performing grill on the market but also the most beautiful one.

ECHELON DIAMOND ACCESSORIES

- Contoured face
- Backlit safety knobs
- Polished Trim

ECHELON DIAMOND DBL SEARING STATION | Model: 32884-1
Like the Diamond Series Grill, this Double Searing Station features a contoured face, backlit knobs, and the new polished trim.

ECHELON DIAMOND SINGLE SIDE BURNER | Model: 32794-1
With the contoured face, backlit knobs, and the new polished trim to complement the Diamond Series Grill, this Single Side Burner provides an independently controlled 15,000 BTU's burner for side dishes and sauces.

AURORA GAS / CHARCOAL COMBO GRILL | Model: A830i
Fire Magic introduces the next big thing in outdoor grilling. The all new Aurora A830i Gas/Charcoal Combo Grill combines the best of both worlds in outdoor cooking. The precise grilling and ease of use that comes from an A430i gas grill is matched with the flavor and tenderness of a companion charcoal grill. With an easy to use 26,000 BTU's gas burner dedicated to ignite the charcoal or wood fuel, this dual fuel grill eliminates any need for toxic lighter fluids. Which makes the addition of the A830i Gas/Charcoal Combo Grill another way Fire Magic is making the perfect outdoor kitchen a reality.

CUT & CLEAN COMBO | Model: 53816
Make preparing your gourmet meal even easier with the all new Cut & Clean Combo. This revolutionary design allows you to discard excess food remnants quickly and easily. Use it with a trash can simply placed underneath or combine it with the Fire Magic Trash Container (page 14) for a more complete waste management system.
